Streamlining all team connections
in an instant.

Unlock detailed insights for
informed decision-making

Open APIs to Seamlessly integrate
with CRM and ERP systems for
effortless workflow automation

The image shows a screenshot of the TapOnn Teams application interface. On the left is a dark sidebar menu with the TapOnn logo and 'Teams' header. The menu items are: My Cards, Members, Connections (with a dropdown arrow), Lead Generations, Connects, Subteams, Templates (highlighted in blue), Role Management, and Insights. The main content area on the right has a white background. At the top, it says 'Welcome TapOnn!'. Below that, it shows the breadcrumb 'Dashboard / Templates' and a section titled 'Templates (3)'. The first template card is for 'Production', featuring a purple-to-white gradient background, a teal circle with a white 'P', and text indicating it was created on February 9, 2024, with 0 profiles assigned. At the bottom of the card are two buttons: 'Edit Template' and 'Assign Profiles'.
